Coaching Philosophy	Coaches are there to develop and improve players of all abilities and levels as well as providing an enjoyable environment to be coached in. I endeavor to put on sessions which are enjoyable but also give the players something to go away and think about.
Playing Experience	I was an associated schoolboy with West Ham United FC for 4 years from age of 12-16 before becoming a pro at Southend United FC. Sir Bobby Moore was one of my managers at Southend. I then spent over 10 years in the semi professional game playing over 500 games.

Favorite Team & Player	As I spent many years at West Ham I tend to follow them although I have a favorite team in every division (home and abroad). Messi at Barcelona is a very exciting player to watch
